

# *Pipe in the New Year...*

**MAKE A RESOLUTION THIS YEAR THAT  
WILL BE BOTH REWARDING AND FUN!!!**

Consider joining us for introductory lessons offered by  
**The Fairfield Gaelic Pipe Band.**

As we prepare for our 20th Anniversary celebration and as a dedication to our Irish Culture and Heritage, we want to remind everyone about our **complimentary** introductory lessons.

**No previous musical experience required.**

If you enjoy doing new things, feeling accomplished, meeting new people and enjoying your heritage with Celtic Music, come see what we are all about! Our band participates in parades, weddings, celebrations and special events.

**We are always looking for new Pipers and Drummers!**

We rehearse Monday nights at First Church Congregational, corner of Old Post Rd. & Beach Rd. in Fairfield at 6:30pm.
